

Sophie Te'blanche Sauvignon Blanc 2010

At Iona, we have 12 different Sauvignon Blanc vineyard blocks each with their own unique aspects, soil types, row directions and clones. The blocks are picked over a period of 2 weeks from mid March to early April with the juice safely in their own tanks a few hours after picking.

Free run juice and pressed juice are handled separately and only the best components are used in the Iona Sauvignon Blanc. The remaining wine, still of good quality, with a lovely fruity profile, we bottle as Sophie

Te'blanche

Elegant, complex and finely balanced is how many would describe Sophie Te'blanche, the most famous woman to never exist, and also a nickname in South Africa for "Sauvignon Blanc".

Lovely floral aromas, showing lime and mineral undertones. Ripe gooseberry and pears on the palate with a fresh finish.
